Our boutique luxury home delivering individual care for our residents

December festivities

We had a wonderful time decorating Christmas cards and are impressed by the beautiful designs created by our residents. They looked wonderful displayed around the home with all our Christmas decorations and advent house calendar.

Long Ridings School Choir Visit

Lots of fun at our Music Matters session with plenty of Christmas songs! And a massive thank you to the Long Ridings School Choir for coming along to sing carols with our residents. They were absolutely amazing!

Outing To Summerhill Garden Centre

Although it was cold outside, the atmosphere indoors was warm, festive, and beautifully decorated.

A special thank you to the restaurant team, who were incredibly accommodating all 17 of us were seated comfortably and well looked after. We enjoyed our meals, each other's company, and the cheerful surroundings.

Everyone left in great spirits... a wonderful start to the festive season.
