We thoroughly enjoyed selecting and painting our own ceramics, and the excitement was even greater when we saw the stunning finished pieces after they came out of the kiln. The results were absolutely beautiful - our residents truly did an amazing job! ❤️

# Unlikely Friends, Unforgettable Moments

Our residents enjoyed a heartwarming visit filled with cuddles from guinea pigs, chickens, rabbits, and a tortoise. The star of the day was undoubtedly Bella the donkey, who completely stole everyone's hearts.

## The King writes to Old Shenfield Place

We were honoured to receive a letter from King Charles expressing his gratitude for the beautiful card created by our residents.

Congratulations to Beryl, whose lovely design won our card competition and was sent to His Majesty. A big well done to everyone who took part - you all made us incredibly proud!
