

# Old Shenfield Place Care Home Monthly Newsletter

2 Hall Lane, Shenfield, Brentwood, CM15 9AB

Our boutique luxury home delivering individual care for our residents

## Glad To Care

A heartwarming 'Glad to Care' week at Old Shenfield Place brought joy to all as we celebrated in style with a delightful blend of Royal Ascot Ladies' Day and a charming garden tea party.

Earlier in the week, some of our residents added personal touches to their beautiful hats in preparation for the big day. We also made sure to include our wonderful night care team by featuring their photos in our festive bunting - so no one was left out.

We basked in the sunshine, savored delicious cakes, sipped tea, and enjoyed the warmth of good company in the garden. It was truly a day to remember.

# Monday Art Club

Art Club been very busy, getting ready for our fiesta party and making Birthday Cards for the King.

**Please join us for our weekly art class every Monday at 10:30 led by our lovely Julie.**

## HYDRATION

Hydration Awareness Campaign Success!

We recently launched a campaign to highlight the importance of staying hydrated, especially at home. Our goal was to encourage residents to drink water regularly throughout the day! We ran a competition for the best hydration poster to be displayed in our home.

POSTER WINNER
