Our boutique luxury home delivering individual care for our residents

October at Old Shenfield Place

Our gentlemen made the most of the last dry days of the month, relaxing in the garden, enjoying the fresh air and catching up over the newspapers. Meanwhile, our ladies enjoyed some well-deserved pampering, with freshly painted nails adding a little extra sparkle. A wonderful time for everyone to relax and enjoy some special moments!

Harvest Service

We came together for a meaningful Harvest service, singing hymns, sharing prayers and listening to Canon Darren's thoughtful message about how God always provides. His engaging approach and memorable props brought smiles and helped bring the message to life.
We also shared a special prayer in memory of our lovely resident, Mike, taking a moment to reflect, remember and give thanks for his life. It was a heartfelt gathering of faith, remembrance and togetherness. Mike will always be remembered and greatly missed.

A Day of Sinatra, Songs and Memories

Our residents enjoyed a fantastic Frank Sinatra Day, complete with live singing, plenty of dancing and lots of toe-tapping tunes. It was a wonderful opportunity to reminisce, share memories and enjoy the timeless classics together!
