2 Hall Lane, Shenfield, Brentwood, CM15 9AB

Our boutique luxury home delivering individual care for our residents

“Old Friends” Dementia Cafe

We had a lovely afternoon at The Green Dragon in Shenfield for our Dementia Café. A huge thank you to Ellie, Paul and their wonderful team for making us feel so welcome. We enjoyed plenty of tea, coffee, cake and, of course, lots of laughter.

Our residents also enjoyed some friendly competition over a game of pool. Another lovely afternoon bringing people together, making connections and enjoying our wonderful community.

Memory Walk For Alzheimers

Our residents enjoyed a wonderful Memory Walk through the town, dressed in blue to show their support for people living with dementia. The walk helped raise vital awareness and funds to support those affected by dementia. Along the way, we stopped at Rose Bakery for tea, coffee and cake, enjoying time together and connecting with members of our local community. We were incredibly grateful for the generous donations from passers-by. We were also delighted to welcome the Mayor of Brentwood, Councillor Nicky Cuthbert, who joined us and helped make the occasion even more special. On our way back, the lovely team at Jasmine Bleu Flower Shop surprised each of our residents with a beautiful rose. A truly memorable day filled with community, kindness and connection.

MacMillan Coffee Morning

Our residents, families and friends came together for a wonderful Macmillan Coffee Morning, filled with laughter, good company and plenty of delicious homemade cakes. It was lovely to catch up over a cup of tea, choose from an array of tempting treats and, most importantly, raise money for such a fantastic cause. A big thank you to everyone who joined us and helped make the morning so special.
