Inspiring Memory Walk

Our residents, their families and friends joined together for an unforgettable Memory Walk to raise awareness and funds for the Alzheimer's Society. Every step counted and we all raised £70.80!

Trip Out To The Garden Centre

We enjoyed a lovely outing to the local garden centre, where we were surrounded by a stunning variety of plants. The vibrant colours and rich, natural scents made for a truly sensory experience. After exploring the displays and browsing through the shop, we relaxed with a cup of tea and coffee in the cosy café - a perfect way to end the visit.
