Our boutique luxury home delivering individual care for our residents

Royal Ascot At Old Shenfield Place

We were delighted to enjoy beautiful weather for our Royal Ascot Open Day event. We welcomed friends, family, and members of the local community through our doors for a wonderful afternoon of celebration. A talented singer kept everyone entertained, and we all enjoyed singing and dancing together. Our fantastic catering team provided a delicious spread, while refreshments flowed throughout the day. To complete the Royal Ascot spirit, our ladies proudly wore the colourful hats they had lovingly decorated themselves.

Glad To Care Week

We have been celebrating Glad to Care Week - a special opportunity to connect, discover, and celebrate life in our care home. Throughout the week, we opened our doors to members of the local community and invited everyone to join us in a variety of wonderful activities organised by our marvellous Lifestyle Team. From designing hats for our Royal Ascot event and enjoying Art Club, to playing bingo and planting colourful flowers in our garden pots, there was something for everyone to enjoy. The week was a fantastic celebration of care, community, and togetherness, recognising and appreciating everyone who helps make a positive difference in the lives of others.

Kings Birthday Card

We were delighted to collaborate with Brentwood School to design a birthday card for King Charles. Our residents and the children enjoyed working together on the design, sharing creativity and having fun while creating a special handmade card for His Majesty's birthday.
