Our First Dementia Cafe

We were delighted to open the doors to our very first local Dementia Café in Shenfield. This free monthly café has been created for the local community to come together, enjoy support, and socialise in a relaxed and friendly atmosphere. The sun was shining, and our residents thoroughly enjoyed the walk to the café, taking part in fun games, and sharing drinks and biscuits together. We are already looking forward to the next one.

Visit To Chelmsford Cathedral

We visited Chelmsford Cathedral for the special "Singing for the Brain" event organised in partnership with the Alzheimer's Society, alongside our sister homes Ardtully and Weald Hall.

Held as part of Dementia Action Week, the afternoon brought people together through the joy of music, singing favourite songs from the 70s and celebrating the positive impact music can have on wellbeing and memory. We were also delighted to meet our local Mayor, a wonderful supporter of Old Shenfield Place.

Music In Our Garden

To round off the week, we were delighted to welcome back the wonderful Dodgy Jammers, who performed for residents and their loved ones in our sunny outdoor garden area. Everyone enjoyed a lovely afternoon filled with music, singing, laughter, tea, coffee, and plenty of smiles all around.
