Happy Valentines

Valentine's morning was extra special as our manager, Cristina's wonderful boys, stopped by to surprise each of our residents with beautiful red roses. Their thoughtful gesture brought smiles all around and made the day truly memorable. Later, our residents enjoyed a lovely candlelit Valentine's Day lunch together, sharing laughter and warm moments. The celebration was made even more delightful with the fantastic music of The Dodgy Jammers, creating an atmosphere full of joy and love. It was a day filled with heart, happiness, and thoughtful moments that everyone will cherish!

Pop-Up Shop - Huge Success

Our residents had a delightful afternoon browsing through an array of beautiful clothing, generously donated by a kind-hearted lady who wanted to give back to them. Smiles, excitement, and gratitude were everywhere as everyone found something special. The residents truly enjoyed the shopping experience, and we are so thankful for the thoughtfulness and generosity behind this wonderful gesture.

Music Matters

Singing together, dancing together, smiling together because music makes everything better!

Music has the power to spark memories, lift moods, and bring moments of joy and connection for our residents, especially those living with dementia. Just look at the happiness it creates!
